The screenshot shows the Cisco NetAcad portal profile page. The browser address bar displays `netacad.com/portal/profile`. The page header includes the Cisco Networking Academy logo and navigation links: `Minha NetAcad`, `Recursos`, `Cursos`, `Careers`, and `More`. A search bar and user profile icon (Joao) are also present. The main content area is titled `Meu perfil` and includes a sub-header `Página inicial / Meu perfil`. Below this, there are tabs for `Meu perfil`, `Certificados e cartas`, `Descontos`, `Centro de assinatura`, `Notificações do curso`, and `Badges`. The `Meu perfil` tab is active, showing the user's name `Joao Daniel`, their ID `51125446`, and email `joadanielfs@gmail.com`. A red message indicates that the recovery number is not defined. Links for `Alterar email`, `Escolha o idioma`, and `Alterar senha` are provided. The bottom section is titled `informações da conta`.

The screenshot shows the Cisco Packet Tracer software interface. The top menu bar includes `File`, `Edit`, `Options`, `View`, `Tools`, `Extensions`, `Window`, and `Help`. The toolbar contains various icons for creating and editing network components. The main workspace is divided into `Logical` and `Physical` views. The `Logical` view is active, showing a network diagram with various devices like routers, switches, and PCs. The bottom status bar displays the time `00:01:07` and the simulation mode `Realtime`. The bottom taskbar shows the Windows operating system with various application icons.
